Career Summary

Vyshnavi A started her teaching career at JAIN (Deemed-to-be University) Center for Management Studies after completing her Post graduation in the year 2015. During this journey, she has been working in different capacities; Course Facilitator for two subjects - Financial Accounting & Cost Accounting, being engaged in different college activities and committees by organizing events as National Level FDPs, National Level Webinars, International Level Panel Discussions, being a member of Research & Consultancy Cell.

The areas of her expertise and interest include Financial Accounting, Cost Accounting, Management Accounting, Income Tax and Corporate Accounting. The idea of pursuing PhD was nurtured in her by the Director Dr Dinesh Nilkant who motivated her to step into research to enhance her academic horizon.

Research Interest

Financial Derivatives: It is an emerging trend in stock market and a wide area with inclusion of options, futures & forward contracts which enable a person to understand market volatility, risk and return factors. Hence, it is looked as a prominent area with a huge scope for research.
